RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In a previous response to restriction requirement, Applicants elected group I, claims 1-17, and cancelled claims 18-45 without prejudice to the filing of any divisional, continuation, or continuation-in-part application. Consideration of the elected claims is now requested. In an Office Communications dated October 2, 2007, the Examiner required that Applicants provisionally elect a single anti-HIV drug and a single lipid species. Applicants elect indinavir as the anti-HIV species and phosphatidyl choline as the lipid species. Claims 1-9 and 15-17 read on these elected species.

At anytime during the pendency of this application, please charge any fees required or credit any overpayment to Deposit Account No. 50-2976 pursuant to 37 CFR 1.25. Additionally, please charge any fees to Deposit Account No. 50-2976 under 37 CFR 1.16 through 1.21 inclusive, and any other sections in Title 37 of the Code of Federal Regulations that may regulate fees. This notice is being submitted in duplicate.

Respectfully submitted,
